

We teach classes you won't want to cut

You want to close more loans. We can show you how. At Credit Plus University, we offer FREE online training that will help you succeed in the mortgage business.

Topics covered include:

How to use ScoreWizard, Credit Plus' proprietary scoring tool, to increase customers' credit scores

- The advantages of the "What If" simulator
- How to use Credit Assure

Prevent mortgage fraud

- How Tax Return Verifications protect against fraud
- How to order Total ID™

An overview of the Rescore process

- Documents accepted by the Bureaus
- Processing procedures, costs and timeframe

How to properly read and utilize a credit report

- How to see how all Bureaus are reporting the information
- The difference between a supplement and Rapid Rescore

Boost your business with Lending Hand

- How Lending Hand helps borrowers qualify for mortgages
